

COMFORT SERIES® BAYS

Gerkin offers a contemporary option in bay windows. Whether it is for a large living room, a breakfast nook or a unique bedroom window, Gerkin bay windows can offer the right touch of class! Our factory mullied bays include heavy corner posts with a ready to use cable support system. All bays come complete with natural oak or birch head and seat boards. Bay windows give a unique look with a contemporary appearance and beautiful angled lines. Bay windows can have three windows in the opening with either side or front operation. We offer several different projections for a custom appearance.
