

CABRIO ALUMINUM STORM DOORS

Gerkin Windows and Doors introduces a next generation of storm doors called Cabrio. The Cabrio is highlighted by a retractable screen, which is hidden away in the head of the door when ventilation isn't needed, thus giving a beautiful clear view!

The Cabrio is a door designed with beautifully rounded features outlining the 1 3/4" thick doorframe. This attractive (convertible) door offers an easy operating sash, that runs on a smooth block and tackle balance system to ensure effortless operation. The sash relies on the balances, not the screen. For protection against insects, the screen overlaps and seals the interior frame opening and has a sweep seal on the bottom of the sash. The screen will reset itself to the proper position if pushed or blown in.

UNIQUELY YOURS ALUMINUM STORM DOORS

If you want a door perfectly designed for your home, your budget, and your lifestyle, our "Uniquely Yours" series offers you a wide range of customer combinations. Select one of 9 models, and customize it by choosing one of 4 colors, and 3 different kinds of hardware. Doors can be further appointed with custom features such as head ventilators, moldings and custom sizing.

NOTHING SAYS **WELCOME HOME** QUITE LIKE A BEAUTIFUL ENTRY.

At Gerkin, we believe the perfect front door can take any home from special to spectacular. That's why we offer a wonderful selection of doors that can be customized for every home style. When it comes to creating the right finishing touch, our doors are always open!

QUALITY FEATURES

For over 70 years, Gerkin has been building storm doors that are superior in style, durability, and efficiency. Here are the features you can expect from every Gerkin storm door we produce.

LIFETIME HINGES

Our self-lubricating hinges are made from extruded aluminum and have an exclusive lock-in feature.

CONCEALED INSTALLATION SCREWS

All Gerkin doors come with Z-bar screw covers. This ensures a clean and finished appearance from the outside.

ALUMINUM CLAD, POLYETHYLENE CORE KICK PANELS

Our kick panels are built to withstand years of daily use.

ADJUSTABLE SILL EXPANDER

Two flexible sweeps and sloped expander provide a tight seal at the threshold.

DEEP WOOL PILE WEATHERSTRIPPING

This excellent weatherstripping seals out the elements at the head and jambs.

1-3/4" MAINFRAME

This heavy frame is designed for strength with beautiful rounded features that give elegance to every door. (Cabrio)

MAKE YOUR DOOR "UNIQUELY YOURS"

If you want a door perfectly designed for your home, your budget, and your lifestyle, our "Uniquely Yours" series offers you a wide range of custom combinations. Select one of 9 models, and customize it by choosing one of 4 colors, and 3 different kinds of hardware. Doors can be further appointed with custom features such as head ventilators, moldings and custom sizing.

1. CHOOSE THE MODEL

We offer models ranging from a traditional self-storing model to an extravagant, insulated full-view glass.

2. CHOOSE THE COLOR

Popular colors to choose from, with one that's right for nearly every exterior.

3. CHOOSE THE HARDWARE

We've got everything from a simple yet stately pull handle to a beautifully curved Brass lever or a new high fashion Satin Nickel and Oil Rubbed Bronze finish. All closers are color matched to the door. All Seville and Dakota Premium hardware sets come standard with two closers.

4. CHOOSE YOUR OPTIONS

You can also customize your Gerkin storm door with a variety of added options, such as decorative moldings and head ventilators.

MODEL 907

- ◆ Heavy-duty screen only door
- ◆ Heavy-duty aluminum frame with corner gussets
- ◆ Full screen with mullion allows maximum ventilation

MODEL 912

- ◆ Self-storing with high kick plate and decorative grill
- ◆ Decorative plant on kick panel for traditional look
- ◆ Heavy-duty aluminum frame with corner gussets
- ◆ Tempered glass for safety

MODEL 914

- ◆ Self-storing mid-view with decorative grill
- ◆ Decorative plant on kick panel for provincial look
- ◆ Heavy-duty grills
- ◆ Heavy-duty aluminum frame with corner gussets
- ◆ Tempered glass for safety

COLORS

- White
- Sandstone
- Bronze
- Black (Full-view only)

* Colors shown are printed representations and may vary slightly on actual models.
